Editor Cat Review:

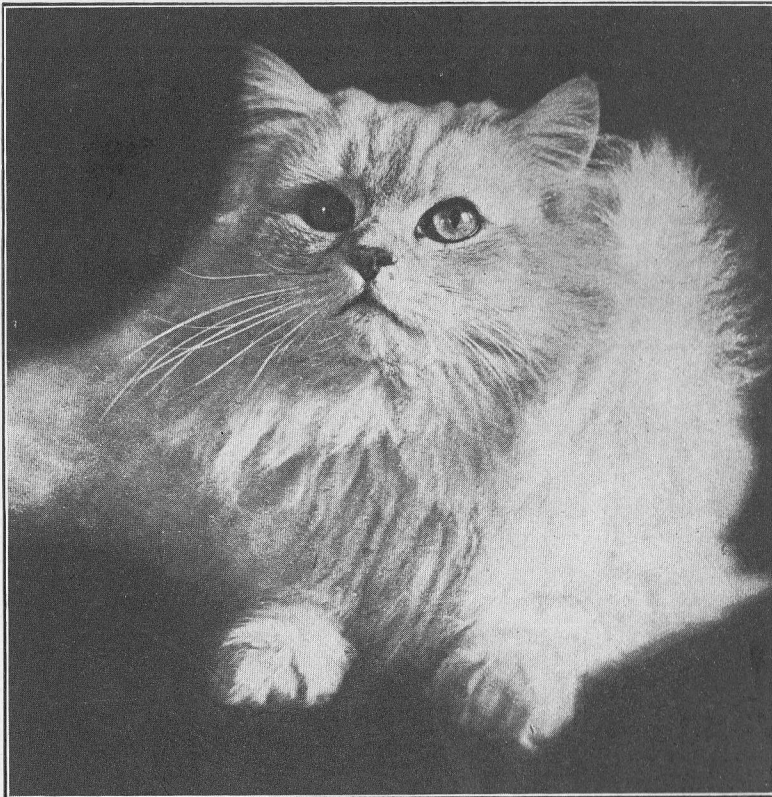

Just a few lines wishing you and the Review a happy and prosperous year. I find the articles most interesting and the editorials most enjoyable.

The article by Maude M. Crouch, Bronx, N. Y., which I find very interesting, I feel that I must answer. I have raised cats for twelve years. At first I purchased a book on cats, which told me to feed raw beef, which I did. I also acquired a well-filled medicine chest containing everything known for man and beast. Fresh meat, oh, boy! My family said that I'd go broke feeding it. I had an English veterinary who looked them over at frequent intervals, including all accouchements. After many years he became confidential one night and gave me some friendly and valuable advice.

The diet and other advice was so similar to that given by Miss Crouch, and our experiences also so similar, that I felt you might enjoy knowing it. The only thing lacking in the dietary as given by her was the humble, the lowly, and the much scoffed at onion, which he assured me was a sure preventative of worms. I followed his advice and incorporated the lowly and despised onion in my diet at frequent intervals and had very little trouble afterwards with worms.

I am now able to raise most of my kittens, where before there was a full graveyard. The kittens are stronger and my expense in raising them less since I dropped the full raw meat diet.

I love the cats and have never figured greatly on the profits derived

from them, knowing that in the year's total I would probably be the loser anyway. However, I have found a great source of pleasure in them, and have formed many pleasant friendships, with an occasional bit of profit for encouragement.

I think better success can be attained with a few cats, as one soon, by keeping this loved one and that darling kit, acquires more than can be properly cared for and housed.

The great pleasure derived in the breeding of our Persians is in getting the awards—a champion. I have been fortunate in having bred two and made one, and I assure you that the pleasure has wiped out all the disappointments.

Awaiting with pleasure the next Cat Review.

I am, sincerely yours,

K. E. Stacey.

Editor Cat Review:

Our club [Royal Canadian Cat Club] has done well in its show work, and I should like to see started a system of club exhibits so as to make it possible to show cats at a distance with a maximum of safety and a minimum of expense. It would be a fine thing for fanciers to see the winners in other clubs and perhaps be beaten by them. One member could handle the whole club exhibit and the expense could be shared. One club could send blue, black, red, silver, brown, tabby, etc. to compete in any show with credit, but the cats never leave town at present. What do you think? I want to work up the idea for our big show, August 29, 30, 31.

With best wishes, yours sincerely,

Edith Meyers.

Editor The Cat Review:

A new discovery I have made lately is that at least one young cat that objected vigorously to having the under part of its body combed, did not think of objecting at all when I took it on my knee, lifting up the fore part of its body with my left hand under its fronts paws, leaving its hind paws standing on my knee. I then combed, not very thoroughly, with a rather coarse comb, being most careful not to pull the hair in the least. I only passed the comb through a few times and then put the cat down. Now I can comb thoroughly with a finer comb.

I advise care in trying this, as I should not like anyone to be bitten or badly scratched through following out this suggestion, but the cat I handled was like a different animal from the one it had been when I tried combing in any other way. Except when being combed it has always had a pleasant disposition.

Yours truly,

Regular Reader.

Editor Cat Review:

I am sending a true account of an act of kindness that was brought to my attention and which I have personally investigated.

Four domestic kittens were found on a pile of snow on the night of Friday, January 13th, by two actors returning from their performance. These kind-hearted men gathered them up, took them home and placed them before a nice warm radiator, where, after an hour or so, they thawed out. Soon these kits began to cry, needing the warmth and nourishment which would have been so lovingly supplied by the mother cat.

Determined to save them, if possible, and very bitter against the person who so cruelly left these kits to perish (when the little lives could have been so quickly and humanely snuffed out, if need be). Mr. V—phoned to me, asking my advice, as he knew I had some Persians. Of course, I was glad to tell what I knew, and although I have never had to try to raise an orphan, used what might be called "common sense." Evaporated milk, diluted one-half, was fed about every two hours, a rubber ear syringe being used for this purpose. The little stomachs were gently rubbed with a fore finger (encased in a rubber glove finger) to induce urination and bowel evacuation.

These kits are now about two weeks old, strong and healthy, with fine coats and bright eyes. It will be but a short time before they repay their kindly hosts with funny antics and playful tricks.

One little fellow is jet black and, on account of being found on Friday, the 13th, will be kept, named and registered, while the others will be offered to good homes.

Yours truly,

Olive Quintin Hills.

EDITORIALS

THE letter from Mrs. Campbell Meyers, printed under the heading "Correspondence," was received after the January number of the Review had gone to press. It is along the lines of one of the editorials in that number. The need exists, and is beginning to be felt, of matching the winners of one club against the winners of another, and Mrs. Meyers' idea seems to be an improvement on the method suggested in the editorial, for places within easy reaching distance, if it could be carried out.

Cats traveling in this way would have the personal care and protection, which we feel that they should always have, though they would miss the comfort of having their owners with them, *i. e.*, if their owners have been faithful and have made themselves loved. A great deal would depend on the member selected by a club to conduct the exhibit. Besides being efficient in other respects, she should be one of those persons who is instinctively liked by all cats.

We have received a letter from our printer in which he says, "We are billing your work according to the time that is consumed on it, and if the operators, the proof-reader and the copy-holder have to worry over and discuss the spelling of names, it all appears on your bill." We feel certain that all who are interested in the Review will try to remedy this.

Our cats' names are often unusual, and it is not easy to guess what they are. It would be a good plan to print them.

We hope that hereafter our new inquirers in Canada will realize that we cannot use Canadian stamps though they do show the willingness on their part to pay good money, and that they will send instead money orders even when writing only for a sample copy of the Review. This may seem a needless trouble to impose on people, but these small orders amount to a good deal in the end.

We are very sorry to report that Mrs. Vincent W. Cornell is ill in the hospital with diphtheria and hope that by the time this is read she will be much improved.

We regret, both on her account and ours, that Mrs. E. S. Gerberich was ill at the time of the United Show in New York. Ch. Cranreuch II was entered and was in fine condition, but his owner could not take him, so both had to stay at home. If we had known it in time, there was more than one who said that she would have looked out for him while there if someone could have brought him to the show.

Mrs. W. Haywood Parker, of Jacksonville, Florida, reports quick sales of all four of Pinecroft Pretty Pearl's kittens to people in the city, "with orders booked ahead for kittens from both Pearl and Fenzette of Fairfield."

Mrs. Ada Armbruster, Mrs. C. H. Decottes and Mrs. W. Haywood Parker will attend the Tampa Cat Show February 7th and 8th and assist their sister club in any way they can. All three of the ladies will enter their cats.

A printer's error in the January number changed Mrs. Frank W. Thurstin's name to Mrs. Thurstly.

Miss H. E. Brown, of New York, reports the sale of two Ch. Cranreuch II and Queen Bess Flag kittens. It was Mrs. H. V. Furness, who broke the spell of no sales. She was taking pictures of the cats and kittens, when Pretty Pet posed so beautifully so many times that Mrs. Furness fell in love with her and carried her home. The next day Mrs. Shaffer, of New York, bought Plucky Girl. Each thinks that she has the most beautiful kitten. Their pictures may appear in the Cat Review some time.

Tibbles, the champion alley cat entry of Bide-a-Wee Home for Animals won a blue ribbon at the United Show of the Atlantic Cat Club and the Silver Society opening on the Waldorf roof, recently. There were beside Tibbles 152 languorous, long-haired beauties in shades of blue, cream, tortoise-shell, red and inky black, as well as a mysterious color known as neuter.—New York World.

When another group of visitors reached Tibbles' cage he was sitting up and his beautiful eyes looked them straight in the face. One of them dropped a coin in his box. It was noticed that he watched every movement of the hand to and from the box. Other coins were dropped in and he watched every movement closely several times.

Silver Society Cups and Trophies won outright this winter as follows:

Chloe Memorial Trophy, donated by Mrs. H. L. West, won by Mrs. L. B. Sturgis.

Greenwich Kennels Cup, donated by Greenwich Kennels, won by Dr. Libbie Ashcroft.

Jackson Memorial Cup, donated by Mrs. Alfred Jackson, won by Mrs. L. B. Sturgis.

The President's Cup, donated by Mrs. N. H. Busey, won by Miss Carroll Macy.

Queen o' Hearts Trophy, donated by Miss Carroll Macy, won by Dr. Libbie Ashcroft.

Sandolphon Trophy, donated by Mrs. F. E. Connelly, won by Mrs. A. H. Churchill.

Wahoo Trophy, donated by Mrs. Olive E. Gilbert, won by Dr. Libbie Ashcroft.

Winter Reverie Progeny Cup, donated by Mrs. A. H. Churchill, won by Miss H. E. Brown.

Mrs. Zelma N. Parrish, of Dos Palos, Cal., has registered her cattery as the Sunkist Kennels, and is going to specialize in red tabbies. She has purchased a half-brother of Tornado of the Fox Valley from the Goldwyn Kennels, Ill., and also a lovely red tabby queen from the same place.

EMPIRE CAT CLUB.

The regular meeting of the Empire Cat Club was held in conjunction with the postponed annual meeting on January 6, 1922, at The Hearthstone Tea Room.

Routine business was transacted. The treasurer reported a nice balance in the treasury. Two new members were elected.

The officers for the coming year were chosen by ballot cast by Miss Kroeh, and are as follows:

President, Miss Alice Judge; secretary-treasurer, Mrs. Madge M. Crouch; first vice-president, Mrs. Cornell; second vice-president, Mrs. Hart; third vice-president, Miss Mildred Sheridan.

Madge M. Crouch, Secretary.

SILVER SOCIETY.

A regular meeting of the Silver Society was held at the home of Mrs. N. H. Busey on December 6, 1921.

The minutes of the special meeting of October 18, 1921, were read and approved.

One new member was elected.

General reports from the show committees, and Miss Haeruth Wood, man-

ager, recorded most satisfactory results.

Statements were received from Dr. L. W. Ashcroft of wins on Silver Society cups made recently in California.

Evidently the shows were most successful and many fine cats exhibited.

After a general discussion of show business the meeting adjourned.

Agnes Sturgis, Acting Secretary.

ROYAL CANADIAN CAT CLUB.

The annual meeting of the Royal Canadian Cat Club was held at the residence of Mrs. Coryell. The president, Mrs. J. R. Reynolds, was unanimously re-elected. Changes were made in the other offices, Mrs. Campbell Meyers being elected vice-president, and Mrs. G. A. Henderson, second vice-president; Mrs. Fitzgerald, treasurer, and Miss Eleanor Meyers, secretary. Miss Elsie Adamson, our cheery and efficient recording secretary, retains that office for another year.

The club members felt that the past year has been a most gratifying one. The annual show was the best ever held here and those members who exhibited elsewhere were most successful. Sebastian's owner is to be especially complimented on his wins in New York. The quality of the stock owned in the club is steadily approaching a very high quality and the members are showing enterprise in making some important purchases. It was decided not to hold a winter show this year, but to concentrate on a very fine show to be held August 29th, 30th and 31st, when the new livestock arena will be in use and the cat show provided with palatial quarters. The hope of the club is to make this an international show and to have a general gathering of cat fanciers and cat lovers.

There has been a large increase in the membership, and it was decided to raise the annual fee to provide revenue for various improvements. As there is a large out-of-town membership, representation was given on the advisory board, Mrs. Freeman being appointed from Hamilton and Mrs. Sims from St. Catharines. The meeting closed with a new enthusiasm for the coming year.

Edith A. Meyers, Secretary.

SILVER SOCIETY.

The annual meeting of the Silver Society was held at the home of Mrs. N. H. Busey January 17th.

After the meeting was called to order by the president, Mrs. Sturgis, the minutes of the previous meeting were read and approved.

In the absence of the board delegate to the Cat Fanciers Federation, Miss E. B. Champion gave a verbal report. Motion made that cats entered in the champion class may compete for all specials, if owner so states on entry blank, was seconded and carried.

Six new members were proposed and unanimously elected.

The annual election of officers was next in order. The resignation of the president, Mrs. L. B. Sturgis, was accepted with much regret and a standing vote of thanks was accorded her for her faithful services and devotion during her term of office.

Mrs. Arthur H. Churchill was unanimously elected president and the following officers for the ensuing year were elected:

First vice-president, Miss Ethel B. Champion; second vice-president, Miss Carroll Macy; third vice-president, Mrs. N. H. Busey; fourth vice-president, Mrs. J. H. Richards; fifth vice-president, Mrs. George B. Brayton; sixth vice-president, Mrs. L. B. Sturgis; seventh vice-president, Miss J. H. Kroeh; secretary, Mrs. Herbert Beecher Nichols; treasurer, Mrs. H. L. West.

Delegates to Cat Fanciers' Federation: Mr. L. B. Sturgis and Miss Dorothy Champion. Delegate to American Cat Association: Mrs. Olive E. Gilbert.

The Winter Reverie Progeny Cup, donated by Mrs. A. H. Churchill, having been won by Miss Brown, Mrs. Churchill announced that she would replace it with another, for which a grateful vote of thanks was given her.

It was proposed that the secretary send a vote of thanks to Dr. Paddock for efficient services rendered during two days of the show, and to Dr. Libbie Ashcroft for a box of oranges and orange blossoms so generously donated, and which were sold for the benefit of the show.

Helen E. Nichols, Secretary.

The Hillsborough Co., Fla., Humane Society on Friday, January 13, 1922, put on their annual Cat and Dog Show in the Poultry Building on the Fair Grounds, for the one day and evening, Mrs. W. B. Wilson and Mrs. Jennie Weller as managers. Mrs. F. W. Thurstin, of the Toledo Cattery, was the appointed judge for the Cat Department again this year. Many beautiful cats were present. Best cat in show went to Prince Sterling, of Belvedere Cattery, who is a son of Lord Hampton. Best kitten, also best mother cat and kittens, were likewise won by Belvedere Cattery. Best female, a lovely copper-eyed white, was won by Heise Pet Shop. Best neuter, a fine black, belonged to Mrs. L. H. Smith. Best short-haired cat belonged to Mrs. (Dr.) Masgana, member of Tampa Cat Club.

Had all the entries been present it would have been about a one-point show.

Carrie H. Thurstin.
